

**Additional Information for Insurance Reimbursement
Accreditation and Accountability**

Katherine Doornekamp holds an undergraduate degree in General Arts from Queen's University and a Masters of Divinity (Counselling) from Tyndale Seminary (Toronto). She is a Registered Psychotherapist with the College of Registered Psychotherapists of Ontario (#002522) and a registered marriage and family therapist with the Canadian Association of Marriage and Family Therapists (#2017047).

Her supervising psychologist is Dr. Martin Rovers, PhD, (College of Psychologists of Ontario registration #3251). Receipts for insurance reimbursement purposes are in his name. It is the responsibility of the client to ensure that the particular insurance program they intend to use provides reimbursement under these circumstances.

Confidentiality limits, as explained in the initial session, extend to Katherine's regular supervision with Dr. Rovers. Specifically, client contact information sheet is provided to Dr. Rovers for supervision purposes.
