

**Additional Information for Insurance Reimbursement  
Accreditation and Accountability**

Katherine Doornekamp holds an undergraduate degree in General Arts from Queen's University and a Masters of Divinity (Counselling) from Tyndale Seminary (Toronto). She is a Registered Psychotherapist with the College of Registered Psychotherapists of Ontario (#002522) and a registered marriage and family therapist with the Canadian Association of Marriage and Family Therapists (#2017047).

Her consulting psychologist is Dr. Martin Rovers, PhD, (College of Psychologists of Ontario registration #3251). It is the responsibility of the client to ensure that the particular insurance program they intend to use provides reimbursement under these circumstances.

Confidentiality limits, as explained in the initial session, extend to Katherine's consultation with Dr. Rovers.
